

REMARKS

Applicant requests amendment of this application even though a Notice Of Allowance has been issued, but before the Issue Fee has been paid.

The proposed claim amendments are being made to correct typographical errors in claims 1, 35, and 36. In particular, claims 1 and 35 are being amended to change the phrase "said fourth control signal" to --said third control signal-- in order to provide proper antecedent basis. Claim 36 is being amended to delete the word "of" in the preamble. The proposed amendments will not require substantial additional work on the part of the U.S. Patent and Trademark Office.

Accordingly, applicant respectfully requests that the proposed claim amendments be entered.

Respectfully submitted,

Evelyn C. Mak
